MAYOR TOM TAIT DROPPED THE BALL - AGAIN!

Mayor Tait alone voted "No" on a plan to keep the Angels in Anaheim for decades and obligate the Angels to spend \$150 million of their own money to refurbish our city-owned stadium – at no cost to our taxpayers. Every other Council Member embraced this framework.

Now – because of Tom Tait's hostility – the Angels have broken off negotiations and are actively pursuing building a new stadium in Tustin or Irvine. Seriously?

We cannot afford any more of Tom Tait's bad play and poor sportsmanship. We need a new Mayor. We need Lucille Kring.
